

Locum Obstetrician/Gynecologist

North Bay Regional Health Centre

North Bay, Ontario

The Service of Obstetrics & Gynecology of the North Bay Regional Health Centre is looking for someone who has a passion for community medicine and is seeking the good life. If you're ready to spend less time commuting and more time with family enjoying beautiful northern Ontario, this opportunity is for you!

Job Description

The NBRHC Service of Obstetrics & Gynecology is an innovative, efficient and collegial service that is seeking locum OB/Gyn support while recruiting for a new team member. As designated Level II prenatal community based hospital, the service manages the obstetrical unit (average 930 deliveries/annually) and generalist obstetrical cases. Typical gynecological caseload includes laparoscopic hysterectomies, routine prolapse repairs, hysteroscopies, etc.

Locum Role

Locums will be assigned the on call role for the service with the expectation to provide coverage for emergent consultations, deliveries and surgeries. Locum assignment lengths and dates are negotiable.

Applicants are required to be certified by the Royal College of Physicians and Surgeons of Canada and must be licensed (or eligible for licensure) in the Province of Ontario.

Organization & Community Info

North Bay Regional Health Centre is a unique 433 bed health care organization with three primary roles: providing acute care services to North Bay and its surrounding communities, functioning as the district referral center providing specialist services for smaller communities in the area, and it's the specialized mental health service provider serving all of northeast Ontario. NBRHC is a state-of-the-art regional health centre newly built in 2011.
