

Radiologist Practice Opportunities

North Bay Regional
Health Centre

Centre régional
de santé de North Bay

Position Description:

North Bay Regional Health Centre (NBRHC) is recruiting 1-2 radiologists looking to join a busy community hospital-based practice of 6 existing radiologists providing services to NBRHC, West Nipissing General Hospital and Mattawa General Hospital. The group has a dynamic and busy practice encompassing a full range of diagnostic modalities and non-vascular interventional procedures. The groups' work encompasses 3 CT scanners, a 1.5T MRI, as well as a significant volume of ultrasound, radiography, mammography (OBSP and diagnostic) and fluoroscopy.

Interested candidates should be comfortable in working with all of the major diagnostic modalities (CT, MRI, US, x-ray, mammography and fluoroscopy) and should also be comfortable doing or learning to do non-vascular interventional procedures including US and CT-guided biopsies and drainages, breast procedures (biopsies and localizations), as well as fluoroscopic injections.

Not only is the practice dynamic, interesting and challenging, but the group is experienced, collegial and supportive as is the broader department and hospital. We are looking for individuals who possess the skills, work ethic and personal traits to successfully integrate into and expand our current group due to increasing work volumes.

Organization & Community Info:

North Bay Regional Health Centre is a 433 bed health care organization with three primary roles: providing acute care services to North Bay and its surrounding communities, functioning as the district referral center providing specialist services for smaller communities in the area, and it is the specialized mental health service provider serving all of northeast Ontario. For further information please view northbaydocs.ca

The City of North Bay has a lot to offer individuals and families with a very good quality of life, the ability to live on or near beautiful lakes and to enjoy the full-extent of Northeastern Ontario's beauty. North Bay is also only a 3-hour drive North of the GTA on Highway 11 and 3.5 hours west of Ottawa. Whatever your interests are, you will have access to numerous activities and amenities within minutes from your home. To view beautiful North Bay and our lifestyle please see [North Bay & Area Lifestyle](#) or [Tourism North Bay](#).

Qualifications

Applicants are required to be certified in Radiology by the Royal College of Physicians & Surgeons of Canada and independently licensed to practice in Ontario.

Fellowship training is not a pre-requisite, but a fellowship in women's imaging would be of benefit to the group.

Remuneration

This is a unique opportunity to practice in a high-volume and equitable fee-for-service model with no graduated remuneration structure.

In addition, NBRHC has a competitive incentive package which includes a \$25,000 recruitment stipend, \$25,000 practice start up grant, assistance with relocation expenses, and \$83,000 via the Northern Rural Recruitment & Retention Initiative.

Contact Info:

Interested candidates should contact Chastity Saudino, NBRHC Medical Affairs Manager with an expression of interest and their CV. Candidates will be welcomed for locums and interviews as part of the hiring decision process.
