

OB/Gyn Locums

North Bay Regional
Health Centre

Centre régional
de santé de North

The North Bay Regional Health Centre, Service of Obstetrics and Gynecology is seeking locums to assist with covering on-call scheduling gaps

Service Info:

The NBRHC Service of Obstetrics & Gynecology is an innovative, efficient and collegial service that is seeking locum OB/Gyn support while recruiting. As a designated Level II prenatal community based hospital, the service manages the obstetrical unit (average 930 deliveries/annually) and generalist obstetrical cases. Typical gynecological caseload includes laparoscopic hysterectomies, routine prolapse repairs, hysteroscopies, etc.

Locums will be assigned the on call role for the service with the expectation to provide coverage for emergent consultations, deliveries and surgeries. Locum assignment length and dates are flexible.

Organization & Community Info:

The North Bay Regional Health Centre, constructed in 2011, is a 433 bed health care organization with acute care services including a 24/7 emergency department, 16 bed Critical Care Unit, inpatient adult and pediatric medicine, dialysis, endoscopy and bronchoscopy services, obstetrics, pathology and surgical subspecialties to the surrounding catchment areas of Mattawa, West Nipissing and Temiskaming. On-site diagnostic imaging services include x-ray, ultrasound, computed tomography, MRI, bone densitometry and nuclear medicine. For further information please view northbaydocs.ca

North Bay Regional Health Centre is a unique health care organization with three primary roles: providing acute care services to North Bay and its surrounding communities, functioning as the district referral center providing specialist services for smaller communities in the area, and it is the specialized mental health service provider serving all of northeast Ontario. For further information about the NBRHC please view nbrhc.on.ca and northbaydocs.ca

Dates:

Locum support is required throughout the period of April 2025-June 2026. Locums assignment lengths and dates are flexible.

Qualifications

Applicants must be FRCPC obstetrics & gynecology certified with a CPSO license in good standing to practice independently.

Remuneration

Remuneration will be a combination of:

- NSLP's daily on-call sessional of \$1522 daily or OHIP billings (whichever is higher);
- NSLP's daily honourarium of \$331;
- NBRHC HOCC stipend of \$463 per on-call day;
- NBRHC OB/Gyn locum stipend of \$1000 per on-call day;
- NSLP travel sessionals and travel honourariums
- NSLP Locum travel and accommodation funding
- Paid hospital orientation & free hospital parking will be provided.

Contact Info:

Interested candidates should contact Chastity Saudino, NBRHC Medical Affairs Manager with an expression of interest and their CV.
