

Pediatrician

North Bay Regional
Health Centre

Centre régional
de santé de North

The North Bay Regional Health Centre, Service of Pediatrics is seeking a Pediatrician to join its team!

Service Information:

The NBRHC Service of Pediatrics is an efficient and collegial group of six full time consultant pediatricians who share a busy and diverse community based group practice. The group practices out of a shared modern, furnished, “kid-friendly” office space, conveniently located just down the street from the hospital. Hospital on-call responsibilities are shared equally and involve consultations to the emergency department, rounds on an 8 bed pediatric unit and level 2 NICU, as well as attendance at high risk deliveries. On-call is home based and the NBRHC tertiary referral centre for pediatrics is CHEO.

NBRHC is an affiliated academic teaching centre with NOSM University & CHEO. The service is involved in teaching of NOSM medical students & residents and CHEO residents.

Organization & Community:

The North Bay Regional Health Centre, constructed in 2011, is a 491 bed health care organization with acute care services including a 24/7 emergency department, 16 bed Critical Care Unit, inpatient adult and pediatric medicine, dialysis, endoscopy and bronchoscopy services, obstetrics, pathology and surgical subspecialties to the surrounding catchment areas of Mattawa, West Nipissing and Temiskaming. On-site diagnostic imaging services include x-ray, ultrasound, computed tomography, MRI, bone densitometry and nuclear medicine. For further information please view northbaydocs.ca

North Bay Regional Health Centre is a unique health care organization with three primary roles: providing acute care services to North Bay and its surrounding communities, functioning as the district referral center providing specialist services for smaller communities in the area, and it is the specialized mental health service provider serving all of northeast Ontario. For further information about the NBRHC please view nbrhc.on.ca and northbaydocs.ca

Qualifications

Applicants must be FRCPC pediatrics certified with a CPSO license in good standing to practice independently. Comfort with NRP and PALS resuscitation is essential.

Remuneration

The successful candidate will be remunerated as a part of the Northern Pediatric AFP which includes a base salary and a percentage of billings top up, Hospital On-Call stipends, teaching funds and pediatric stabilization funds. Our organization has a competitive Incentive Package which includes a \$25,000 recruitment incentive, \$25,000 practice start-up grant, assistance with moving expenses and up to \$94,000 through the Northern Rural Recruitment & Retention Initiative (NRRRI).

Contact Info:

Interested candidates should contact Chastity Saudino, NBRHC Medical Affairs Manager with an expression of interest and CV.
